## PLEASE NOTE THAT THESE TERM DATES MAY BE DIFFERENT TO HALWILL PRIMARY SCHOOL

NOTES ABOUT FUNDING CLAIMS:

Autumn TermThe maximum termly hours available are 210 hours (or 420 for 30 hour funding)Spring TermThe maximum termly hours available are 180 hours (or 360 for 30 hour funding)Summer TermThe maximum termly hours available are 210 hours (or 420 for 30 hour funding)

The annual entitlement is 570/1140 hours, and this cannot be exceeded. This is pro rata if a child becomes eligible part way through the Academic year.

The maximum weekly hours are 15/30 for a maximum of 38 weeks.

Scallywags opens for the equivalent of 38 weeks to allow eligible families to claim their maximum funding entitlement. As our calendar spreads across more than 38 weeks (because there are some part weeks), if families have claimed the maximum of 15 hours funding every week throughout the year, it is possible they will not have enough remaining funding to claim 15 hours for the last week of the academic year. We will discuss this with any affected parents during the Summer term. They will have the option of paying for some sessions, or reducing their booked sessions to avoid incurring fees. Parents are encouraged to take note of the half-termly invoices which include details of how many funded hours have been claimed.
