NOTES ABOUT FUNDING CLAIMS:

- Autumn Term** The maximum termly hours available are 216 hours (or 432 for extended working entitlement (30 hour) funding)
- Spring Term** The maximum termly hours available are 180 hours (or 360 for extended working entitlement (30 hour) funding)
- Summer Term** The maximum termly hours available are 174 hours (or 348 for extended working entitlement (30 hour) funding)
- The annual entitlement is 570/1140 hours**, and this cannot be exceeded. This is pro rata if a child becomes eligible part way through the Academic year.
- The maximum weekly hours are 15/30 for a maximum of 38 weeks.** This may be reduced for part weeks e.g 12hrs for a 4 day week.

Sallywags opens for the equivalent of 38 weeks to allow eligible families to claim their maximum funding entitlement. As our calendar spreads across more than 38 weeks (because there are some part weeks), funding may be reduced for part weeks - e.g 12hrs for a 4 day week to ensure that funding claims are not exceeded.
