

!!Important information - Waiting List for new enrolments now active!!

We are very fortunate that so many families have chosen Scallywags for their children. We are the busiest we've ever been for this time of year and as a result we are currently at capacity.

Therefore, with immediate effect (26.02.25) we can no longer automatically accept new enrolments. All new enquires and enrolment request will be offered a place on our waiting list.

If you are looking for a place at Scallywags this academic year or next, please contact us for more information and registration details.

We are actively recruiting in order to enable us to open up more spaces during the summer term / as soon as possible.

Thank you
The Scallywags Team
